Aaron,

Please find attached a redline strikeout version of the draft notice of proposed rulemaking that includes revisions made thus far in response to additional OMB and interagency review comments, including to revisions to:

Ex. 5 - Deliberative Process

We are still in the process of updating the notice and the RIA based on additional OMB and interagency review comments with:

Ex. 5 - Deliberative Process

The attached version of the notice contains comments or highlighting as placeholders for those sections above that we are still working on revising.

Also attached is a summary of historical ozone measurements in the Uinta Basin illustrating the public health issue we are attempting to address.

Please contact me or Chris Dresser if you have any questions about what is being provided today.
